

2023 ACIGS Roadshow

Geosynthetics Design for
Roadways and Railways

Sponsorship Prospectus

2023 ACIGS Roadshow: Geosynthetics Design for Roadways and Railways

ACIGS would like to invite our esteemed company members for sponsorship opportunities for the upcoming roadshow. The sponsorship packages are great opportunities to showcase company capabilities and build strategic connections. We expect the attendees are mainly engineers, authorities and decision makers.

Presenters:

Professor Erol Tutumluer
University of Illinois

Professor Jorge Zornberg
University of Texas

Locations:

26th June 2023 : Tonkin & Taylor, Auckland, New Zealand

28th June 2023 : Engineers Australia, Melbourne, Australia

30th June 2023 : Brisbane Convention & Exhibition Centre, Brisbane, Australia
